Dear Dr. Winston:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your calculations for Line 5(d), Columns A and B appear to be incorrect. FEC calculations disclose this amount to be \$50,176.28. Please provide the corrected total on the Summary Page.

-Your calculations for Line 8, Columns A and B appear to be incorrect. FEC calculations disclose this amount to be \$34,626.28. Please provide the corrected total on the Summary Page.

-The identification of each contributor, including the person's occupation and name of employer, must be provided if the person has contributed in excess of \$200 in the aggregate during the calendar year. Please amend Schedule A supporting Line 11(a)(1) for each entry lacking a contributor's name of employer.

Note: If your committee has made at least one effort per solicitation, either by a written request or by an oral request documented in writing to obtain this information from the contributor, your committee may have exercised "best efforts." Under 11 CFR 104.7(b), such effort shall consist of a clear request for the information (i.e., name, mailing address, occupation, and name of employer) which request informs the contributor that the reporting of such information is required by law. If you believe that your committee satisfies the "best efforts" provision, you should provide a copy of your solicitation or an explanation of the method(s) used to obtain contribution information.

Clarification regarding "best efforts" should be disclosed during each two year election cycle beginning with the first report filed in the non-election year.
